BARTIMAEUS EDUCATION SERVICES

Bartimaeus provides accessible, flexible in-school support for both private and public schools, and their students.

Bartimaeus Associates assist in situations that require specialized behavioural interventions with students who are experiencing extreme behavioural, emotional, psychological and developmental challenges.

Our service supports:

- Students in crisis situations
- Students moving from specialized programs back into the mainstream
- Interim behavioural plans and programs
- Teachers, school administrators and other stakeholders working with challenging students or situations

HOW WE FIT

The support of our Associates enables teachers, resource and non-teaching staff, parents and students within schools and in the community to maximize learning successes.

We match our Associates'

knowledge, abilities and expertise with each setting and student's needs.

WE OFFER

- Full co-ordination for all service requests
- Flexible contracts ranging from a single day of support to full-time interim support services

Direct Services

Classroom support

We support students who are experiencing social/behavioural difficulties in the classroom, for a limited time or ongoing.

School support

We offer immediate response to schools for students demonstrating extreme at-risk behaviour. We assist in creating and maintaining a safe and positive environment throughout the school.

Community support

We offer one-to-one support in the community for students with social/behavioural difficulties that require life-skills training to gain more independence. This may include outings, co-op placements, vocational training, job search and accommodation planning.

Group Programs

Group programs address behavioural issues and develop social and life skills.

- P.A.S.S. — Preparing for adolescence and social success
- Anger management
- Study skills and organizational methods
- Bullying prevention
- Playground leadership
- Transition to high school

Consultation and Training

For teachers, staff and parents

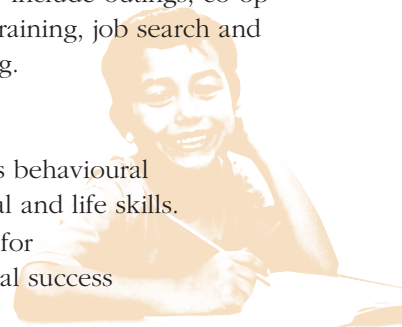

Staff development and training workshops are available to address behavioural issues and develop social and life skills.

- Behaviour management
- Bullying/safe school programs
- Mental health
- Acquired brain injury
- Social skills
- Crisis intervention
- Understanding ABA programming for children with autism and other related developmental disorders
- Practices and procedures to enhance safe learning environments

Mentoring and Coaching Services

These services are designed to meet the needs of administrative and management personnel as they take on new roles.
