## **Gentle Persuasive Approaches in Dementia Care: Responding to Persons with Challenging Behaviours**

*GPA is an innovative education curriculum that is currently being offered to all staff in care organizations throughout Ontario and other areas with Certified Coaches. Participants attend a day long seminar which addresses assessing and responding to challenging behaviours associated with dementia in multidisciplinary settings.*

## **LOOK what are people saying about GPA...**

*"I learned many beneficial facts and solutions to potential and current obstacles in my job. It [GPA curriculum] is necessary for all staff interacting with [clients] living with dementia."*

*"No matter which area one works in, 95% of this course could be, not only useful, but relevant to daily care."*

*"I found this very helpful, I could see the staff enjoyed this and gained knowledge that will better allow them to take care of [clients] not only in the secured area but within the whole facility."*

Please be sure to wear comfortable clothes and shoes for this session.

*Each session is limited to 12 people so sign up soon!*

A Certificate of Participation will be given to each participant.
